Dear Parent/Carer

May I take this opportunity to wish you all a happy and prosperous New Year.

The pace of activity and achievement in and out of the school continues to accelerate. You will have seen in the recent newsletter the rich variety of experiences we offer our students, the support and encouragement we give them and, most importantly, their energetic and willing response continues to impress.

We, as an Academy, expect the very best from all who attend, both in terms of academic attainment, standards of behaviour and attendance.

Students this term will be receiving their first terms report which will detail their progress since September. Please discuss this report with your child and, should you have any concerns please contact either their Progress Tutor or their Head of Achievement. Parents and carers may also like to note that there will be Parents and Carers Evenings, for all parents/carers throughout the spring term, appointment letters will be sent home and we would actively encourage all parents and carers to attend.

On the reverse of this letter you will find a copy of the uniform rules that were sent out by letter in September, outlining the Academy's position on uniform, jewellery and mobiles. Further information can be obtained from the school website which also contains more detail in the Parents/Carers version of the Behaviour Policy.

Yours faithfully

**J Forman**  
**Acting Vice Principal**
